Re: Docket No. 2006-0386 - Application of Hawaiian Electric Company, Inc. for  
Approval of Rate Increases and Revised Schedules and Rules

Dear Mr. Bonnet:

Pursuant to Order No. 23262, filed on February 15, 2007, Hawaiian Electric Company, Inc. ("HECO") and the Department of Commerce and Consumer Affairs, Division of Consumer Advocacy ("Consumer Advocate") were to submit a stipulated procedural schedule within thirty days of the date of Order No. 23262, or by March 19, 2007. By letter dated March 16, 2007, HECO requested an extension of time, until March 27, 2007, for HECO and the Consumer Advocate to submit a stipulated procedural schedule. By letter dated March 21, 2007, the commission approved HECO's request.

By letter dated and filed March 27, 2007, HECO requested an additional extension of time, from March 27, 2007 to April 3, 2007. HECO represented in its letter that, as a result of HECO resources working on Hawaii Electric Light Company, Inc.'s Rebuttal Testimonies, Exhibits and Workpapers and the Statement of Probable Entitlement in Docket No. 05-0315, which was filed on March 27, 2007, the Parties were unable to continue discussions and reach resolution on a stipulated procedural schedule. HECO further represented that the Consumer Advocate does not object to HECO's request for an additional extension.

The commission will treat HECO's March 27, 2007 letter as a motion for an extension of time ("Motion") under Hawaii Administrative Rules ("HAR") §§ 6-61-23 and 6-61-41. HAR § 6-61-23(a)(1) allows the commission to enlarge a period by which a required act

must be completed upon a showing of good cause provided that a written request is made before the expiration of the period originally prescribed.<sup>1</sup>

After reviewing the entire record, the commission grants the Motion and approves HECO's request for an extension of time, from March 27, 2007 to April 3, 2007, for HECO and the Consumer Advocate to file a stipulated procedural schedule. If you have any questions or concerns, please contact Kaiulani Shinsato at 586-2019.

Sincerely,

Carlito P. Caliboso
